Introducing 14 new friends with distinctive personalities! Choose your friends, rally your team, and fight for victory! Four Weapon Manufacturers The Big Four manufacturers Prism Technology, 9A Corporation, Murphy Security, and Wasteland Spirit supply survivors with a myriad of spectacular weapons. Each weapon has a unique skill, so say goodbye to conventional gunfights and say hello to mind-blowing tactics! Player-Owned Home Build your own paradise in the game to your liking! Play matches, upgrade it, unlock advanced items, and invite friends over for a party in the Wasteland! Yes, Air Battles Soar up high, swerve in midair, and open fire! Jetpacks bring you a fantastic and never-before-seen shooting experience! Propel forward or upward in the thick of battle to dodge those projectiles in style! By the way, don't forget to charge your Jetpack with Energy! Multiple Game Modes Aside from the Classic 4v4 Battle Royale, there's also HUNT! Hunt down your target before you fall prey to someone else! Ranked Game Played ranked games and achieve glory with your friends. The top spot of the leaderboard is yours to take! Survive, and anything will be possible! FOLLOW US, Facebook, Instagram, TikTok, YouTube, Discord. Open up Farlight 84 is a Action app developed by LilithGames. You can play Farlight 84 on PC after downloading an Android emulator from this page. Android emulators are software that run a virtual Android device on your computer. LDPlayer is one of these Android emulators for Windows PC. LDPlayer also provides additional features such as multi-instance, macros, operations recording, and others. Using the Android 9.0 system, LDPlayer can help you play mobile games on PC with faster performance and higher FPS. LDPlayer is meant for hard-core mobile gamers. Open up LDPlayer is legal and safe to use. We will never install any malware in our users' computers. Your personal information that we collect is protected by our privacy policy. You can read our all answers regarding the safety concerns. Open up If the developer of Farlight 84 release a PC client, you can definitely play it on PC without using an Android emulator. However, you can have a better gaming experience if you play Farlight 84 on PC with LDPlayer. With LDPlayer, you can both play Farlight 84 on your big screen monitor with better graphics, and enhance your gaming experience with the follow features: 1. You can custom the emulator settings, such as FPS, to enjoy a better and smoother gaming graphics. 2. You can have perfect game control with our preset keyboard mapping. Better sensitivity and accuracy! 3. For shooting games, you can fire in game with the left mouse button, control the camera with your mouse, and write macro combos for pro control. 4. You can also play your games with controller/gamepad after you directly plug in the device. It is also easy for you to set up the keymapping! Open up The following specifications are recommended for playing one or two instances: CPU: Intel or AMD Processor like x86 or x86_64 System: Win7 / Win8 / Win8.1 / Win10 / Win11 (Do not support Mac version) Graphics Driver: Windows DirectX 11 or Graphics driver with OpenGL 2.0 RAM: 16 GB Disk Space: Minimum 100 GB VT: Virtualization Technology (Intel VT-x/AMD-V): enabled Simple Steps to enable VT If you have needs for playing multiple instances, it's recommended to use the CPU with higher numbers of cores and graphics card with higher vram. You can refer to this tutorial How to open as many instances of LDPlayer as possible. Open up 1 Download LDPlayer, a free Android emulator to play Mobile games&Apps on PC 2 Complete the installation of LDPlayer on your desktop 3 Launch LDPlayer and search Farlight 84 on the search bar 4 Install the game from LD Store (Or Google Play) 5 Once installation completes, click the game icon to start the game 6 Enjoy playing Farlight 84 on your PC with LDPlayer Open up Home>Games>Action>Farlight 84 Farlight 84 - fight in the wastelands for the future of humanity in this battle royale game. The action takes place in the year 2084, when the world is a scorched desert, are you ready to challenge the danger and join the battle with other rivals. Explore vast maps while driving unique vehicles, search for powerful weapons, and even fly around the battlefield with a jetpack behind the hero's back. The main goal is simple: to kill the competition, becoming the last of the survivors. In Farlight 84, there is a wide variety of weapons, so you will forget about the classic shootouts. You will also find a significant range of equipment, where there will be a four-legged robot equipped with a turret, a fast racing car and other types of cars that open up incredible opportunities on the battlefield. The distinctive features of this android game are jetpacks, when you can deftly maneuver and dodge shots, and there are special charging installations where you need to periodically replenish the energy spent to unlock the full potential of your hero. In total, there are 8 unique fighters waiting for your orders, and no doubt, with the release of updates, there will be more game content. ApkVision.com How to install Farlight 84 The directory to unpack the cache: /sdcard/Android/obb/com.miraclegames.farlight84/ The world of Battle Royale multiplayer shooting games surely you know that it doesn't start and end with Fortnite, Free Fire or PUBG, right? There are a good handful of games that offer similar formats and that are less known, but still have very attractive features for those who like survival mass shooters. Third person shooters in a futuristic world In Farlight 84 we find a third-person shooter game that takes us to a world of the future, specifically to the year 2084. Taking advantage of this idea, the developers have allowed themselves the license to create an appropriate scenario, with weapons, vehicles, buildings and other elements of science fiction. The mechanics are the usual ones in this type of videogames: we find ourselves on an island where we will have to do everything possible to survive against the rest of the players, trying to find the equipment to get ahead. It has good quality graphics and a simple control system, in addition to features such as the following: Futuristic weapons with special abilities that will allow you to adopt different tactics. Great variety of vehicles that you can use to move with greater speed. Move around with the help of the built-in jetpack. Energy system by which you will need to find chargers to help you recover during the game. Ally yourself with other players to defeat the strongest. Choose between 8 different players.
